

EVACUATION ALERT

VILLAGE OF CLINTON

EFFECTIVE: 07/14/2021 at 1030 hours

An **Evacuation Alert** has been issued by the Village of Clinton.

A current wildfire (Chasm Wildfire – C41866) in TNRD Electoral Area “E” poses a threat to structures at **Chasm Mill Site**, as shown on the attached map, and as noted below:

- **1020 Chasm Road**

Because of this, the Village of Clinton has issued an **Evacuation Alert** for the properties in **Chasm Mill Site** effective at 10:30am on July 14, 2021.

This Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
