

COMMUNITY ECONOMIC PROFILE

Community Message

The Village of Clinton is a friendly, welcoming community strategically located on Highway 97 North (the Cariboo Hwy) in Central BC, halfway between Vancouver and Prince George.

The Village tagline is "Where History Meets Adventure". For the history buff, the Clinton Museum is a great starting point. This little jewel has been described as one of the best museums in BC and showcases the history of the Clinton area from First Nations heritage, Gold Rush days and early ranching and logging activities. Along with the Pioneer Cemetery, you will enjoy hours of exploration into the 1800s.

For the adventure seeker, there are a variety of multi-use trails for hiking, walking, biking and horseback riding. There are guest ranches, Provincial parks and forest service recreation sites. In the winter months one can cross-country ski or snowshoe at the Big Bar Ski Trails. For those seeking to venture further afield, snowmobiling is also a popular activity in the surrounding hills. The scenery is breathtaking and is a draw for photographers and birders. The surrounding lakes offer fishing, boating and camping opportunities and the rolling hills and back country are an outdoor enthusiast's paradise.

With a K-12 school, Health Centre, Ambulance Station, RCMP, three churches and the opportunity for a variety of recreational activities, Clinton is an ideal place to live and work. Reasonable real estate prices, low crime rate, transit service, an arena, curling rink and fitness facility, along with many parks and trails combine to make Clinton a great community in which to raise a family, start a business or retire.

Suffice to say, there is something for everyone in the vibrant community of Clinton. Plan a visit and see for yourself what a unique place Clinton really is. The Village is open to new business, ventures and marketing ideas.
